Recommended Walks (all begin at St Margaret's car park behind the Information Centre)
 The Information Centre sells souvenir town trails, OS Maps, plus detailed cycling and walking route guides.

- Historic Churches and Weavers' Cottages Walk** (worth the climb)
 Cross the footbridge and turn left towards the churches. Continue up Church Street to the alley and keep climbing. At Newtown turn left, cross the road beyond the telephone box and take the path up to Tory. Explore St Mary's Chapel, Tory and Middle Rank before returning to Newtown. You could walk back into town, or continue to the country park and Tithe Barn via Barton Orchard and the Packhorse Bridge.
 - River and Canal Walk** (a gentle waterside stroll)
 Keeping the river to your right, follow the path by the Riverside Inn under the railway bridge into the country park. Visit the Tithe Barn. Continue west and take the left fork up the slope to the swing bridge. Turn left along the towpath & back towards town. Descend the steps by the Tithe Barn, or continue to the Lock Inn.
 - Walk to Avoncliff** (scenic one hour walk in the countryside)
 Walk to the swing bridge (see above) but turn right along the towpath. Avoncliff is an attractive hamlet with an aqueduct, pub and café. Return to BoA by the towpath, the river (steps down to the left on your way back - can get muddy), by the road over the aqueduct, by Becky Addy Wood or even by train!
- Kennet & Avon Canal Towpath
