Welcome to our Kitchen...

When we started life as a farm shop over ten years ago, our aim was pretty simple: to create great food and champion everything that goes with it. From cooking amazing dishes and discovering new ingredients to simply supporting our local food chain.

In fact our story in farming began over 100 years ago, back through 5 generations when the Bowles family began farming in Winsley, Wiltshire. Today our farm is still going strong, producing food for our farm shop and kitchen. Like any farm, our kitchen is the hub of the farm. A place to meet, rest and gather over a love of great food. We use the best ingredients, working with the amazing producers we have on our doorstep. All our meat is prepared by our own butchers who source directly from our own farm and local farmers who share our ethos for quality, animal welfare and traceability. Our sourdough is baked onsite by Nathan and Angie from The Oven. Our eggs are free range from just a few miles away at Southview Farm and, when in season, our fruit, vegetables and salads are selected from our very own grower at Hartley, Kate.

Many of the ingredients we use are stocked in our farm shop so if there is something in particular you enjoyed and would like to take home, just ask us!
